
ProSYNC v 1.5

Release Notes

GS1 Canada is continually enhancing New ProSYNC based on community business requirements, Global Standards Alignment and feedback from our users.

This document shows a summary of new and revised features.

- Custom Listing Forms
To support your product listing process, you have access to trading partners' custom listing forms.
- Feedback Form
This new form appears when you log out of the tool to give you an opportunity to send us your feedback and recommendations for making improvements to ProSYNC.
- Help with Trading Partner Requirements
To help ensure that your trading partner data requirements are met, we have published a new instruction video with up-to-date information.
